Membership Application

I hereby apply for membership in the Pulp and Paper Manufacturers Association. I understand that as an Association member, I will provide the association with wage and benefit information as requested and in a prompt and timely manner.

The membership fees per year consists of a \$2100 Corporate Fee, which covers all company locations; and a fee of between \$3.20 and \$3.60 per hourly plant or shop floor hourly employee is assessed for each member company facility location. This assessment is a sliding scale dependent on the corporation's size.

The PPMA Board of Directors must approve membership applications.
